

FTCE/FELE SCORE INTERPRETATION GUIDE

HOW TO READ YOUR FTCE/FELE SCORE REPORT

Overview

You automatically receive an official score report via your account on the FTCE/FELE contractor website (www.fl.nesinc.com) for each FTCE/FELE test you take. Note that score reports are only available for **60 days**.

- Scores will be provided directly to your district/college only if requested at the time of registration.
- Passing scores are automatically submitted to the Department of Education's Bureau of Educator Certification. However, if you took tests prior to July 1, 2002, and have not previously provided those scores to the Bureau, you will need to send a score report to the Bureau of Educator Certification, at the address below, as part of the process of applying for a Florida Educator's Certificate.

Reporting

All FTCE/FELE tests, subtests, or sections are reported as "PASS" or "NOT PASS." A scaled score of at least 200 is required to pass any multiple-choice or composite test. Passing score requirements for performance component subtests/sections vary by examination. You must pass all subtests/sections of any FTCE/FELE test to pass the whole examination.

- If your score report indicates "NOT PASS" for any test, subtest, or section, then a numerical score will be reported to indicate your performance.
- You may retake any test, subtest, or section 31 days after your most recent attempt.
- A score report indicates "PENDING" when a field is experiencing a score delay and/or the result for a performance subtest or section is not yet available. Examinees are sent an updated score report once the performance examination is scored by human raters.
- Scores for the College-Level Academic Skills Test (CLAST) are no longer reported on FTCE individual score reports. See the duplicate score report request form below if you need a reprint of CLAST exam results for tests taken prior to July 2002.

General Knowledge (GK) Test Scores

The GK test has four subtests: GK Essay, GK English Language Skills (ELS), GK Reading, and GK Mathematics. Each subtest is administered, scored, and reported independently.

Writing Subtest (GK Essay):

- GK Essay is scored holistically by two human raters.
- Effective January 1, 2015, the passing score for GK Essay is at least 8 out of 12 points.

Multiple-Choice Subtests (ELS, Reading, and Mathematics):

- Each multiple-choice subtest requires a scaled score of at least 200 to pass.

Professional Education Test (PEd) Scores

A scaled score of at least 200 is required to pass the PEd test.

Subject Area Examination (SAE) Scores

A scaled score of at least 200 is required to pass any multiple-choice or composite test. See below for specific reporting information about SAEs that include subtests and/or performance components.

The English 6–12 and MG English 5–9 examinations are divided into two sections: a multiple-choice section and a written performance section. Examinees must pass both sections in order to pass the whole examination. The written-performance section is scored holistically by two human raters.

- Prior to January 1, 2015: The score for each English 6–12 or MG English 5–9 examination is a composite score that combines the multiple-choice and essay section scores.
- Effective January 1, 2015: A scaled score of at least 200 is required to pass the multiple-choice section. At least 8 out of 12 points is required to pass the written performance section.

The Prekindergarten/Primary PK–3 and Elementary Education K–6 examinations each consist of four subtests. Each subtest is administered, scored, and reported independently. Examinees must pass all four subtests in order to pass the whole examination.

The French K–12 and Spanish K–12 examinations are comprised of a multiple-choice component and two performance components (speaking and writing). These two tests are scored and reported as a combination of the three components. An examinee must pass the whole examination by achieving a composite score equivalent to at least 200 scaled score.

The German K–12 and Speech 6–12 examinations are administered, scored, and reported as two separate subtests. Examinees must pass both subtests in order to pass the whole examination.

- A scaled score of at least 200 is required to pass German K–12 Subtest 1 and Speech 6–12 Subtest 1.
- At least 4 out of 8 points is required to pass Speech 6–12 Subtest 2 (Oral Presentation).

Florida Educational Leadership Examination (FELE) Scores

FELE subtests/sections are administered, scored, and reported independently. Examinees must pass all three subtests in order to pass the whole examination.
